

ATTACHMENT C
Lake Clark National Park & Preserve
Park-Specific Provisions
Non Profit Organizations
2013
(Last Revised: February 2012)

The following specific provisions (in addition to all conditions and provisions provided in Attachments A and B), are applicable to those activities and areas authorized in your Special Use Permit (SUP):

1. Special Use Permit Holder shall ensure that each of its employees receives training in and reviews a copy of this Authorization including all conditions and stipulations.
2. Special Use Permit Holder shall provide written certification to the NPS (upon request) that each employee/member received training in and reviewed a copy of this permit including all conditions and stipulations including the attached compendium.
3. Special Use Permit Holder and its employees/members shall comply with the attached compendium which is incorporated as a part of the Authorization.
4. Any trip will be limited to a group size of 15 persons including Holder's employees/members.
 5. Special Use Permit Holder camps shall not remain vacant more than 24 hours. All bear attractants including food and garbage will be removed while camps are vacant.
6. After a camp has remained in one place a maximum of 14 days, the same Special Use Permit Holder may not reestablish a campsite on the original site for at least five days.
7. Special Use Permit Holder may collect only dead wood from the ground for personal use as fuel for campfires. Live trees, standing dead wood, leaning dead wood or wood associated with historic structures or historic features may not be collected for any reason. The use of chainsaws is prohibited within Lake Clark National Park.
8. All fuel caches must have prior written approval from the Superintendent. A written request must include the exact location of the proposed fuel cache including a map and GPS coordinates (if available) AND the reason for the cache. If approved, all fuel caches must be removed from the park on or before November 15.

9. No personal or business property of any kind may be stored or left unattended for more than 48 hours without written permission from the superintendent.
10. All NPS bear viewing activity in Chinitna Bay is limited to the existing designated bear viewing site, the outer beach, or a second bear viewing site southwest of the point, as indicated on the Chinitna Bay site map (attached). A maximum of 15 persons may occupy each bear viewing site at any one time. Access to the existing designated bear viewing site is an established trail from the beach to the site. No travel is authorized north of the tidal slough or through the grasslands between the slough and the beach. Please respect private property in this area (see Chinitna Bay site map for details).
11. Special Use Permit Holder must comply with any direction from a uniformed National Park Service employee. The NPS employee will have the authority to make all decisions to assure compliance with this authorization, applicable laws, regulation and policy.
12. Any bear encounter where bear(s) contact camps or gear or approach humans in an aggressive manner, must be reported to NPS as soon as practicable. The report must include: date of incident, location, number, and if possible, sex/age of bears, type of bear action (destroy gear, obtain food, charge people, etc), the human response (bear spray, move camp, kill bear etc), people involved and contact phone numbers/email.

SUSPENSION, RESTRICTION, REVOCATION and DENIAL POLICY

This Authorization may be suspended, restricted or revoked in accordance with the NPS Alaska Regional Policy Number 700-001. A violation is defined as:

- Failure to comply with state or federal law, regulation or administrative action where a link exists between the offense and the business activity authorized regardless of whether the violation occurred in a unit of the National Park System;
- Violation of 18 U.S.C. 1001, providing false information to any agency or department of the United States;
- Failure to comply with a federal or state health or safety code or regulation when conducting activities authorized by the SUP;
- Failure to comply with the provisions and conditions of the SUP.
